

L'Université
de Montréal
et de votre
carrière.

Deeply rooted in Montreal and dedicated to its international mission, Université de Montréal is one of Canada's Top 100 Employers. Like the city whose name it bears, it is effervescent and multicultural.

UdeM attracts over \$500 million in research funding every year, making it one of the three university research hubs in Canada. It also ranks among the best universities worldwide and among the five best French language universities.

Through the achievements of the members of its community, UdeM participates in building today's and tomorrow's world.

Clinician Teacher Position in Veterinary Clinical Pathology

Temporary Position | 1 Year | Full-Time

Centre de diagnostic vétérinaire de l'Université de Montréal (CDVUM)

Faculty of Veterinary Medicine

The Faculty of Veterinary Medicine (FMV) of the *Université de Montréal*, located in the heart of [Saint-Hyacinthe](#), is seeking a Clinician Teacher in Veterinary Clinical Pathology. The successful candidate will join the team at the [Centre de diagnostic vétérinaire de l'Université de Montréal](#) (CDVUM), which includes another clinical teacher, a professor, one to two residents, and an experienced medical laboratory technical team.

The successful candidate will work closely with specialists at the *Centre hospitalier universitaire vétérinaire* (CHUV) and with external veterinary clients to provide high-quality diagnostic services. They will also play a key role in training future veterinarians as an educational resource within the faculty.

To learn everything about FMV and experience the excitement of its faculty life, visit [our website](#).

As a Clinician Teacher, you will have the opportunity to contribute to the excellence of the Faculty of Veterinary Medicine:

Your primary responsibilities, which may account for up to 90% of your workload, will include:

- > Participating in clinical services and teaching, including providing services tailored to the diverse needs of clients;
- > Supervising undergraduate and graduate students;
- > Assess student learning;
- > Provide academic guidance and assistance to students and veterinarians at various centers;
- > Teach lectures.

In addition, you will be required to participate in tasks related to the promotion of your discipline, research activities, or the operation of the institution (for a minimum of 10% of your workload).

To be successful in the role, you must have:

- > Hold a Doctor of Veterinary Medicine (DVM) degree;
- > Have significant experience in teaching and clinical pathology, and hold or be in the process of obtaining a board certification from the American College of Veterinary Pathology (ACVP);
- > Have an interest in clinical teaching in an academic setting;
- > Hold a license to practice veterinary medicine in the province of Quebec issued by the [Ordre des médecins vétérinaires du Québec](#);
- > An adequate knowledge of the French written and spoken language, in accordance with [Université de Montréal's Language Policy](#).

How to apply

Please send a letter describing your interests and career goals and your resume, along with copies of your diplomas, and the names, addresses, phone numbers, and email addresses of three professionals who can serve as references to:

Dr. Olivia Labrecque

Chair of CDVUM

EQUITY, DIVERSITY AND INCLUSION

Université de Montréal places the [values of diversity, equity and inclusion](#) at the heart of all its missions. Through its Equal Access to Employment Program, Université de Montréal invites women, Indigenous peoples, visible minorities, ethnic minorities, and people with disabilities to self-identify and apply. During the recruitment process, our selection tools will – confidentially - be adapted to meet the needs of individuals with limitations who request accommodation.

UdeM embraces a broad and inclusive definition of diversity that goes beyond applicable laws and encourages all qualified individuals to apply, regardless of their characteristics. In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents.

Completing the self-identification questionnaire is a voluntary process aimed at supporting a diverse and inclusive working and learning environment.

The personal information you provide through the questionnaire is valuable - it helps us improve our practices and comply with applicable legislation.

All personal information is confidential. You can rest assured that it will be collected and used in accordance with federal and provincial laws, will never be disclosed without your consent, and will not affect your hiring or career progression at Université de Montréal.
