Clinician Teacher Position in Surgery at the Equine Hospital

Temporary position | Part time | Duration: 2 years

Faculty of Veterinary Medicine | Direction
Centre hospitalier universitaire vétérinaire (CHUV)

The Faculty of Veterinary Medicine (FMV) of the Université de Montréal, an active partner in the [Education District](#) of the city of [Saint-Hyacinthe](#) is seeking qualified candidates for a Clinician Teacher position in surgery at the Equine Hospital. The selected candidate will work within the [Centre hospitalier universitaire vétérinaire](#) (CHUV) as part of a team that includes three professors, two clinical instructors, three technicians, two residents, and one intern. In addition, the selected candidate will collaborate with several specialists in the following disciplines: anesthesiology, surgery, medical imaging, ophthalmology, and theriogenology, all committed to providing the highest standard of veterinary care and will serve as an educational resource for future veterinarians of the Faculty. To learn more about the FMV and discover the vibrant faculty life, please visit [our website](#).

With more than 1,900 horses admitted annually, the CHUV Equine Hospital is the largest in Canada. It features state-of-the-art facilities and equipment, including 40 stalls, a four-stall intensive care unit, three operating rooms, and an imaging department equipped with a 1.5T MRI, fluoroscopy, and a new computed tomography (CT) scanner. The CHUV Equine Hospital is distinguished, among other things, by the number and diversity of cases treated, which are primarily referred by veterinarians from Québec, Eastern Ontario, and several U.S. states.

As a Clinician Teacher, you will have the opportunity to contribute to the excellence of the Faculty of Veterinary Medicine:

- > Participate in clinical teaching, notably by providing care and services that meet the different needs of the clientele;
- > Supervise veterinary students, interns, and residents;
- > Assess student learning;
- > Provide educational advice and assistance to students;

To be successful in the role, you must :

- > Hold a Doctor in Veterinary Medicine (DVM) or equivalent degree;
- > Have completed, or be in the process of completing, a residency program in accredited equine surgery;
- > Hold a diploma from the American College of Veterinary Surgeon (ACVS) or from the European College of Veterinary Surgeon (ECVS), with a large animal specialty

- > Hold or obtain a valid license to practice veterinary medicine in the province of Quebec (Canada) issued by the [Ordre des médecins vétérinaires du Québec \(OMVQ\)](#);
- > Have an adequate knowledge of the French written and spoken language **or** a strong commitment to mastering the proficiency level required, in accordance to [Université de Montréal's Language Policy](#).
